Purpose

The South Carolina State Council State Awards Program was created to encourage service to our Church, community, council, family, culture of life, and youth activities by recognizing South Carolina Knights, Family and Council Achievements.

This purpose statement recognizes two important parts of the State Awards Program. First, the State Awards Program encourages service in the six areas that form the “SURGE with Service” Program of the Knights of Columbus and focuses the actions of each council. Service in these six areas is the way the Knights of Columbus demonstrate their Catholic faith. This will lead to strengthening of our faith; support of our Church, bishops, and priests; improvements in our communities, and strengthening of our family and youths’ faith. This in turn brings in new members and retains existing members as well as allowing the Knights of Columbia to serve these six areas even better.

Second, the State Awards Program recognizes this service. Recognition is secondary to the service provided. However, when outstanding service is provided, the State Council wants to recognize this service as a way to encourage more service. The purpose of this manual is to set forth the requirements and procedures for being recognized for each of the State Awards and to briefly discuss the Supreme Awards Program.

Summary

The Knights of Columbus Supreme Council Awards are presented to those councils who have achieved specific requirements in the area of programs, membership, and insurance.

The South Carolina State Council’s State Awards Program recognizes achievements in three areas; the Inter-Council Competition (ICC), Individual Awards, and Achievement Awards. The ICC Program encourages councils to plan and execute a well-rounded “SURGE with Service” programs. The Individual Awards are presented to worthy Knights and their families to recognize their contributions. The Achievement Awards are presented to the best council activity in the six SURGE areas.

This manual combines the detailed information for all State Awards with a brief description of the awards that are available.

Supreme Council Awards

A brief overview of Supreme Awards is given below. Additional information for these awards can be found in the latest revision of the "SURGE with Service" Manual available on the Knights of Columbus website (<http://www.kofc.org/un/en/members/progerams/council-activities/vice/c/surge-kit.html>). In the event of disagreements between the descriptions below and the Surge...With Service manual, the Surge...With Service manual takes precedence.

Star Council Award

This is the highest award a council can achieve from Supreme Council. Every council should plan and strive to achieve this recognition.

The Star Council Award recognizes outstanding achievement in membership, insurance and service program activities. To be eligible to earn the Star Council Award, a council must qualify for the father McGivney, Founder's, and Columbian awards.

To qualify for these awards, a council needs to submit its Survey of Fraternal Activity and its Service Program Personnel Report by their respective deadlines. To be eligible for Star Council, Double Star and Triple Star awards, councils must be fully compliant with applicable safe environment requirements. This means that the grand knight must complete the Praesidium safe environment training, and the council youth director must complete both the training and a background check. If the council sponsors a Columbian Squires circle, the council Squires chairman and all circle counselors must complete the training and background checks.

Columbian Award

This is Supreme Council's award for completion of a complete package of service programs. To qualify you must:

1. Submit your Service Program Personnel Report (#365) **by August 1** of the fraternal year.
2. Submit your Annual Survey of Fraternal Activities (#1728) **by January 31** of the fraternal year.
3. Conduct and report four (4) major involvement programs in each of the six (6) service program areas (Church, Community, Council, Culture of Life, Family, and Youth.) These are reported on the Columbian Award Application Form (#SP-7), **which must be received by June 30 at Supreme. At least 4 of the council's activities must support the "Building the Domestic Church" initiative.**

Individual councils do not need to submit reports or applications for the following awards:

Father McGivney Award

This is Supreme Council's award for achieving the council's goal of net new members. To qualify you must:

1. Submit your Service Program Personnel Report (#365) **by August 1** of the fraternal year.
2. Achieve a net gain of 7% or greater of membership, or at least 3 new members, whichever is

greater.

Your council goal will be printed on your monthly statements from Supreme.

Founders' Award

This is Supreme Council's award for achieving the council's goal of net new insurance members. To qualify you must:

1. Submit your Service Program Personnel Report (#365) **by August 1** of the fraternal year.

Your council goal will be printed on your monthly statements from Supreme.

Century Award

This is Supreme Council's award for achieving a net gain of 100 new members.

International Service Program Awards

The International Service Program competitions annually recognize the best programs conducted by local councils in the areas of Church, community, council, family, culture of life, and youth activities. The international winners are selected from the winning entries submitted by each jurisdiction. The South Carolina jurisdiction selects the best activity as part of their State Council Service Program Award.

Family of the Month

The structure of the family is built on strength, faith, and love. Strength comes from a bond of togetherness, experiences and respect for one another. Families build a strong foundation of faith as they pray, attend Mass and spend time together.

The Supreme Council encourages every council to participate in the Order's "Family of the Month" program.

After having chosen a family, complete and submit the corresponding monthly form from the Family of the Month. On the 15th of each month 100 Family of the Month reporting forms are randomly selected and the families chosen receive a Holy Family Plaque.

Forms can be found at: <http://www.kofc.org/un/en/officers/forms/council.html>

State Awards

The South Carolina State Council has established state awards in three primary areas: Individual Awards; Achievement Awards; and the Inter-Council Championship (ICC). The winners are selected from the entries submitted by each council.

Any council not under suspension is eligible to enter. The State Deputy will appoint committees responsible for reviewing all entries and selecting the overall winner. The decisions of the committee are final.

Each year the winners are honored at the Awards Session at the annual South Carolina State Convention.

<Name of the Individual Award>

Describe what the nominee did and the honest magnitude of his accomplishments and involvement. It is this information that will be judged. The following is an example.

The following information is provided to support the St. John's Council's nomination of Brother John Doe for the South Carolina State Council 2017-2018 Knight of the Year:
